

UNITAS
Ceramics & Innovation

The feel of
REAL

1200x1800 mm

Create. Don't Stop.

Say **Yes** To Accuracy,
Even If You Don't Know Exactly Which
Idea You Are Going To Find.

Yes To **Details**,
To Practice, To **Experience** And
Also To Dare To Break With It.
To The Vulnerability Of **Novelty**.

To Vertigo.
Don't Be Afraid.
Try, Do, Redo, **Test**, Break, Play.
Forget About Pleasing Everyone.

Dare To Reach Creations
That Are Not For All Sensibilities.
Because Only There
You Will Find The Key
To Create Something In Someone.

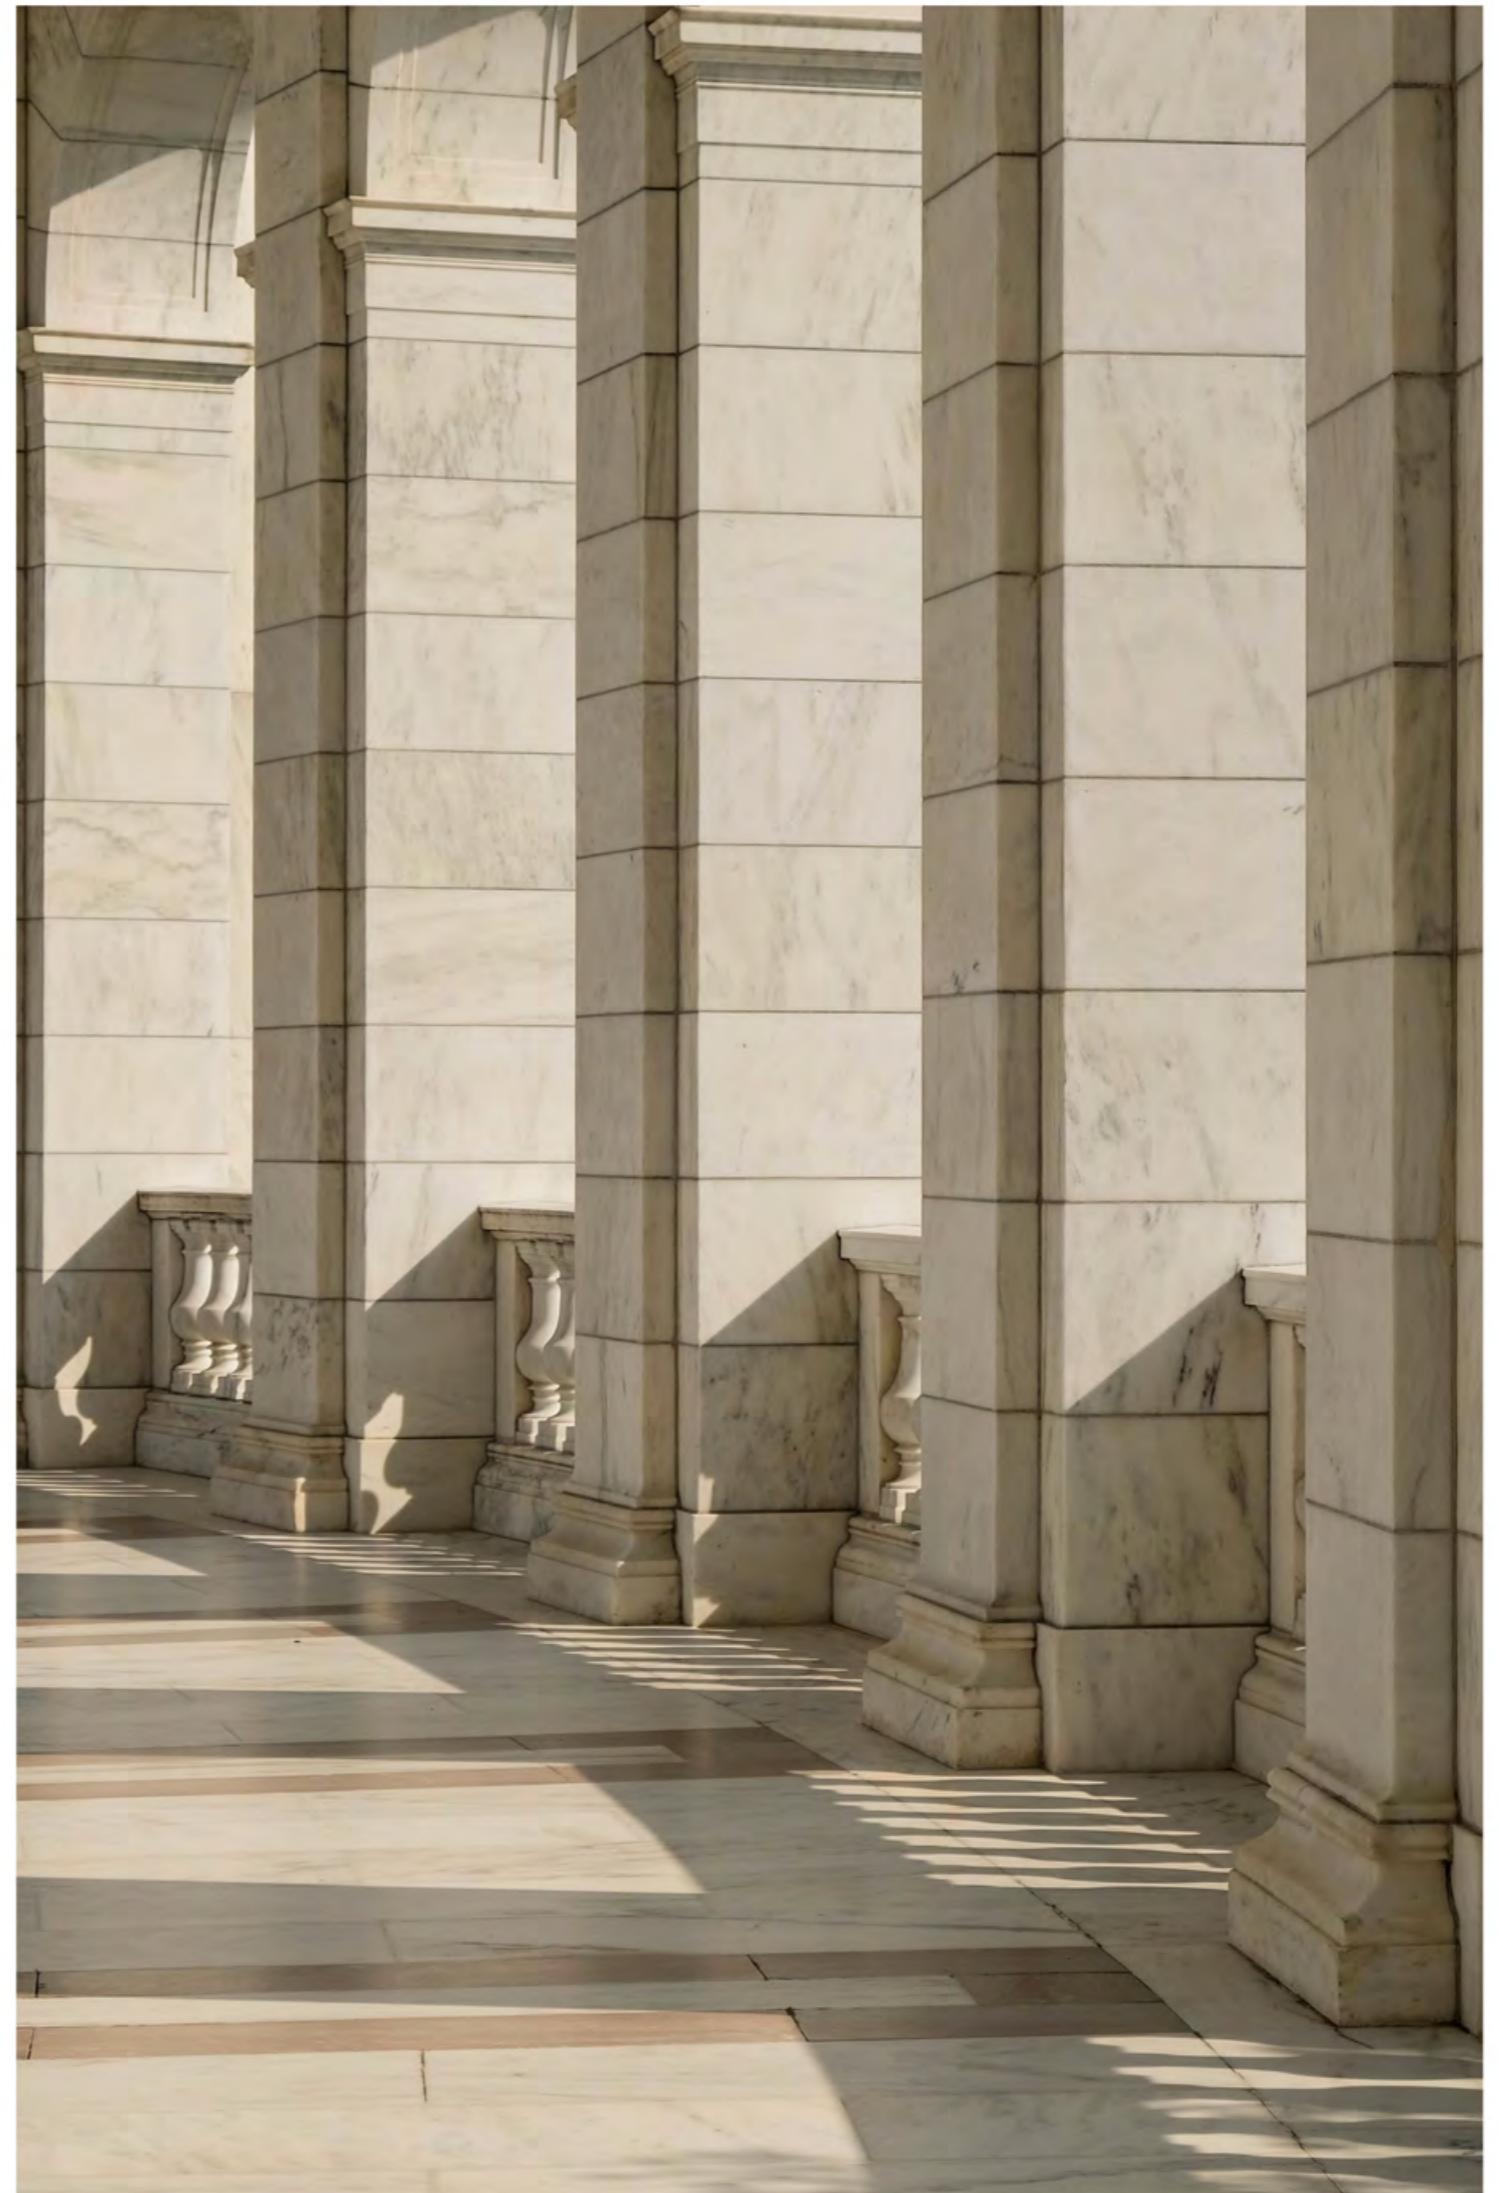

Innovation & design

TALE OF POWERFUL ELEGANCE

The decisive elegance of our surfaces comes to life in this collection that is inspired by excellent architecture from around the world. When placed in the center of your space, it becomes the area of focus with a great visual power that reflects your taste.

We created, combining the knowledge with the understanding of modern ceramic history. A tailored project for all those who love interior design, colour and decoration.

The above fundamentals lead to creating a new chapter within Our aims to create a new style that can be exported all over the world. Just like the detailed and creative creations.

Contemporary architecture takes its inspiration from nature and goes further, making it the focal point of the spaces. The stamp edition reinterprets the decisive elegance of architecture to give life to spaces of solid expressiveness.
