Each tile carries the spirit of Indian culture, symbolizing the country's timeless traditions and values. From intricate patterns inspired by ancient architecture to contemporary designs that resonate with modern sensibilities, our collection offers a harmonious fusion of the past and the present.

We offer more than tiles - we offer stories, experiences, and a celebration of beauty. Experience the blend of Indian artistry and international flair today.

ALPINE

TIMELESS WHITE ELEGANCE

The ALPINE collection dazzles with reproductions of the world's finest white marbles. Statuario, Carrara and Calacatta marble patterns are refined down to the most minute detail, transported from exquisite quarries nestled in the picturesque Italian Alps.

Subtle variations in tones make each tile unique and true to the original material. Select from tiles that reimagine nature's most luxurious creations, from richly veined Statuario to uniformly splendid Carrara. Together they invoke grandeur and opulence in any space.

Transport your interior to the foothills of the Alps with meticulously crafted patterns that maintain the distinctive aesthetics and sophistication of Europe's most legendary marble sources.
